

Lo que yo soñé fue así me desperté en unas altas montañas,
preciosas, cerca de un río donde había muchos peces naranjas. También
unos pájaros y búhos extraordinarios y estaba nevando. Decía siendo de noche
había lugares maravillosos para visitar y muchos juegos para jugar
fue un sueño genial.

Xira para a explicación.

Explicación.

No meu primeiro pensamento subiame a unha alfombra mágica, e chego a casa da miña.

No meu segundo pensamento, levárame e digo que vou a voar e chocarme por culpa do timbre.

E no meu último pensamento vou no coche e vexo algo increíble, ¡Podía chegar a voar! Entón vou alí e non me dixaba un señor, entón votome pero non me rendín, espiei e vim os movementos e aprendín a voar en 2 h, e unha h despois xa era unha heroína.* Foi moi raro.
